

ADDENDUM #1

On March 15, 2016, the New Hampshire Department of Health and Human Services, Division for Children, Youth and Families published a Request for Information soliciting information regarding solutions to enhance IT support for the State's Child Welfare Practice and the State Automated Child Welfare Information System (SACWIS), hereinafter referred to as Bridges.

This Addendum #1 is issued to:

1. Delete the final paragraph in subsection 1.1 Purpose (top of page 3) and replace it with the following paragraph:

Concise, conceptual responses are sought which will inform the DCYF leadership of the options available, estimates of cost and implementation timeframes. The State seeks to gain a better understanding of the available approaches; therefore, responses are being solicited from a wide range of respondents in accordance with the objectives and parameters established in this document. Vendors may submit a response that includes one or more proposed solutions; however, responses should separately address all applicable information sought in Section 2. RFI Requested Response of this RFI as it pertains to each solution.

2. Delete subsection 3.8.1 and replace it with the following:

3.8.1 Collaborative submissions may be submitted in response to this RFI. However, vendors should be aware that any Request for Proposal later developed by DHHS for this or a similar project scope will be limited to different submission requirements. Specifically, the RFP will require that submissions must be made by one organization; any collaborating organizations must be designated as subcontractor.
